

TECHNICAL REQUIREMENTS AND PRACTICAL INFORMATION ABOUT THE VIRTUAL GENERAL MEETING

We recommend that, before the virtual General Meeting starts, you make sure that the device you are using to attend meets the following requirements and you familiarize yourself with the guidance for attending the virtual General Meeting:

BROWSER

The virtual General Meeting can be attended in 'evergreen browsers' on PC/Mac, mobile phone and tablet/iPad. 'Evergreen browsers' (Edge, Chrome, Firefox and Opera) are browsers that update themselves to new versions automatically. Safari is also supported, even though it is not an evergreen browser.

PC

The virtual General Meeting will run in Edge, Chrome and Firefox browsers.

APPLE

The virtual General Meeting will run in the three latest main versions of the Safari browser on Mac, iPhone and iPad (Safari versions 12, 13 and 14). If you have an older Apple device that may not be able to update to a usable Safari version, you can install and use a Chrome browser.

INTERNET CONNECTION

The quality of the transmission will depend on your provider. You should, as a minimum, have a 5-10 Mbit/s connection to achieve good transmission.

TEST YOUR DEVICE IN ADVANCE

We encourage all attendants to test (in advance of the Virtual General Meeting) that they can log into the AGM portal with their device using the link you will receive in the confirmation e-mail once you have registered to attend.

HOW THE VIRTUAL GENERAL MEETING IS HELD

The virtual General Meeting will be held via the AGM portal, and the virtual General Meeting will be transmitted via live streaming (webcast) on the AGM portal. It is important that you log into the portal in order to attend the virtual General Meeting. Here, you will be able to follow the live streaming of the virtual General Meeting, submit questions and comments and vote.

HOW TO ACCESS THE AGM PORTAL

You can log into the AGM portal using NemID or VP-ID. Click on the 'play' button to start the live streaming of the virtual General Meeting.

QUESTIONS/COMMENTS DURING THE VIRTUAL GENERAL MEETING

After presentation of the agenda items, it will be possible to submit written questions and comments via the AGM portal. Your questions/comments will be read out by the chair of the General Meeting and then answered verbally. We kindly encourage

shareholders to submit any questions and comments in advance of the virtual General Meeting if possible.

Click on 'Send post' in the top left-hand corner. The dialogue box will then open, and you can select an agenda item in the scrollable menu. You must fill in subject and question/comments in order to submit your question/comment.

BALLOTS

If a ballot is to be held, this will be clearly stated on the AGM portal and instructions on how to cast your vote electronically will be provided.

If you have granted a power of attorney or submitted a postal vote prior to the virtual General Meeting, you will not be able to vote at the virtual General Meeting.
